

In the Matter of:

O R D E R

2. Effective with the July 1991 billing, Falmouth increased its rate to Pendleton by \$.29 per 1,000 gallons or from \$1.47 to \$1.76 per 1,000 gallons. The total increase in purchased water costs will result in an increase to the average monthly bill from \$30.69 to \$31.54 which is an increase of 2.77 percent. There was no change in the rate charged by Campbell.

3. Pendleton increased the rate to its customers effective September 1, 1991.

4. During the 12 months ending August 31, 1991, Pendleton purchased 31,315,000 gallons of water from Falmouth, and 56,551,310 from Campbell. Pendleton sold 78,154,672 gallons of water during the same 12-month period.

5. Pendleton's calculations are correct and show an increase in purchased water costs of \$9,060, resulting in a purchased water adjustment of 12 cents per 1,000 gallons of water.

6. The rates proposed by Pendleton are incorrect in that the purchased water adjustment was not correctly applied on a per unit basis to the minimum bills as required by 807 KAR 5:068. The minimum bills for residential customers, Griffin Industries, Inc., and Pendleton County High School are incorrectly calculated. Pendleton's tariff sheet showed the minimum bills for residential customers (First 2,000 gallons), for Griffin Industries, Inc. (400,000 gallons) and Pendleton County High School (First 125,000 gallons) to be \$9.42, \$1,656 and \$517.50, or an increase of \$.23, \$44.60, and \$11.60 respectively. As shown below, the correct amount of the increase is \$.24, \$48.00, and \$15.00 respectively.¹ The proposed rates should, therefore, be denied.

¹

2,000 gallons	x	\$.12/1,000 gallons	=	\$.24
400,000 gallons	x	.12/1,000 gallons	=	48.00
125,000 gallons	x	.12/1,000 gallons	=	15.00
\$.24	+	\$ 9.19	=	\$ 9.43
48.00	+	1,611.40	=	1,659.40
15.00	+	505.90	=	520.90

7. The purchased water adjustment of 12 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Pendleton are denied.

2. The purchased water adjustment of 12 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after September 1, 1991.

3. Within 30 days of the date of this Order, Pendleton shall file a revised tariff sheet setting out the rates approved herein.

4. Within 20 days of the date of this Order, Pendleton shall file verification that notice has been given to its customers.

Done at Frankfort, Kentucky, this 24th day of September, 1991.
